

Friday 28th February 2025

Dear Parents / Carers,

This Easter we would like to invite all children to take part in a creative art competition! For this competition, we are asking children to think as creatively as possible and decorate an Easter egg (using the template attached). They could decorate using drawing, painting, collage, marbling, printing, stencilling – and much more! A template is attached to this email if you wish to print at home, or they can be collected from 3S.

There will be prizes in each class as well as a **prize for every child taking part**. We are really looking forward to seeing the creative designs that the children come up with – they can be decorated using any theme that they like. Entries will need to be brought to school by **Monday 31st March**.

We have included some images to provide inspiration.

We are very eggcited to see the finished results!
Yours sincerely,

Mrs J. Wilson
Art Lead

Mrs S. Nash
Art Lead
