

West Leigh Junior School

Executive Headteacher: Mrs C. Woolf

15 December 2023

Dear Parents / Carers

Last week we held our usual very detailed progress meetings with the Year 5 staff. We were very pleased with the progress that the children have made this term, and we know they have been working hard.

As a result of all their effort we realised that the structure of our maths bands needs to change. Some children will therefore move maths band or teacher, in order to provide more securely and individually for their needs.

Miss Chapman and Mrs Styles will continue to teach Band 1. Mr Markham and Mrs Flower will now teach Band 2 and Mrs Wilson will continue with Band 3.

The new arrangements start today.

Enjoy a wonderful pre-Christmas weekend.

Yours sincerely

Mrs C Woolf

Executive Headteacher
