Swimming Contributions

Dear Parents / Carers,

Thank you to everyone who has contributed towards the cost of swimming this term. The pool is an important part of our provision for the children and we simply could not run it without your help. We receive no additional funding for the pool and must manage our limited funds carefully to ensure we continue to provide an outstanding experience for the children.

Other schools without their own pool must send their children across town to other pools, which takes time away from learning and is difficult to provide year-round due to the costs involved. At West Leigh, we are fortunate to offer weekly swimming lessons from Year 1 to Year 6 because we have a pool on-site. I hope you agree that this is an invaluable resource.

We understand that budgets are tight for many of us at the moment, and we do everything possible to keep costs down. Lessons cost just over £1 per week, which is remarkably good value.

With the new term approaching, could I please ask for contributions to be made via ParentPay. If you are experiencing financial difficulties and cannot contribute, please let us know. We are always keen to work with families and support you in any way possible.

Thank you for your continued support.

Kind regards,

Mr M Aggus

Principal
